THE HAZARD — STUDENT NON ATTENDANCE

Student non-attendance is the absence from college of a school aged student, without the consent of parents/guardians, during college hours.

Common reasons for student non-attendance include boredom at college, embarrassment and frustration at poor performance, fear of bullying or harassment, drug dependency, family stress or conflict, homelessness and defiance of authority.

Student non-attendance can compound the problems of students who are already behind in class as a result of behavioural, emotional or learning difficulties. They gradually fall further behind in their studies and jeopardise their chances of completing their education.

This increases the risk of students dropping out of college, becoming involved in delinquency and criminal activity and ultimately, reducing their adult employment prospects.

ENROLMENT AND ATTENDANCE POLICIES

In line with our legal obligations, Catholic College has developed detailed policies and procedures to manage our obligations relating to Enrolment and Attendance of Students. Refer to our Student Enrolment Policy and Student Attendance Policy.

This policy has been developed specifically to manage issues relating to student non-attendance.

CATHOLIC COLLEGE POLICY

Catholic College is committed to the management of regular college attendance and providing a safe and positive learning environment which promotes engagement and participation.

It is our policy that:

- All unauthorised absences from college are unacceptable;
- High expectations of attendance will be made known to all students;
- Processes for unexplained student absences are implemented to reduce absenteeism and ensure the safety of students;
- Student- Non-Attendance prevention strategies are developed and implemented with the college community considering the needs of students; and
- Early intervention strategies and family support programs will be provided.

MANAGEMENT OF NON-ATTENDANCE (IMMEDIATE)

To avoid suspicion, parents/guardians are required to contact the college prior to college commencement time to explain their child's absence, late arrival or request for early leave. All teachers are required to take a roll call in every class. Any student absences are recorded by the class teacher.

Where a student is absent the college Attendance and Admissions Officer reviews absentee notifications to identify any students that are absent where no notification of absence has been received from a parent/guardian. Where a student is absent without explanation and cannot be located within an hour parents/guardians are forwarded a text message to their mobile phones in the following terms:

**Catholic College Wodonga records indicate that your child [insert name] is absent from college without explanation. Please contact the Student Absence Line on 02 6043 5502 to confirm and supply reason for absence.*

MANAGEMENT OF NON-ATTENDANCE (PARENTAL NOTIFICATIONS)

Where parents repeatedly fail to notify the college of legitimate absences, the college will write a letter to parents requesting that they comply with the college's notification procedures.

In cases of serious non-compliance, the college may request that the parents/guardians attend a meeting with the Principal to discuss the importance of parental notifications in ensuring the safety of all students.

PERSISTENT NON-ATTENDANCE

All students found to be consistently failing to attend school as required, will be subject to the consequences as outlined in the Student Engagement & Management Policy.

Where absences are recurrent the college will investigate the student's absences having regard to factors such as the day of the week, the class, subject or year level and particular social group that may affect their attendance.

Parents/guardians will be contacted to discuss issues which may be related to student's non-attendance. Where appropriate, the college will work with the parents/guardians and the student to develop an Attendance Improvement Plan. The College implements various strategies to reduce student absence.

TEACHING STAFF RESPONSIBILITIES — ENGAGEMENT STRATEGIES FOR TEACHERS
