# VICTORIAN CERTIFICATE OF EDUCATION

The Victorian Certificate of Education (VCE) is a senior secondary certificate of education recognised within the Australian Qualifications Framework (AQF). It is designed to be completed over a minimum of two years, and includes general education curriculum components (VCE studies) and programs from Vocational Education and Training (VET) qualifications. The VCE program consists of VCE Units 1/2 in Year 11 and VCE Units 3/4 in Year 12. It can also include components of nationally recognized VET qualifications.

## ELIGIBILITY FOR AWARD OF THE VCE

The minimum requirement for the award of the VCE is the satisfactory completion of 16 units, which must include:

- three units from the English group\*, with at least one Unit at 3 - 4 level\*\*
- at least three sequences of Unit 3/4 studies other than English, which may include VCE VET Unit 3 and 4 sequences

Levels of achievement for Unit 3/4 sequences are assessed using School-based Assessment and external assessments (including examinations).

\*The English group includes English Units 1-4, English Language 1-4, and Literature 1-4.

\*\*Victorian Tertiary Admissions Centre (VTAC) advises that for the calculation of a student's Australian Tertiary Admissions Rank (ATAR) satisfactory completion of both Units 3 & 4 English sequence is required.

## SATISFACTORY COMPLETION OF UNITS

For satisfactory completion of a VCE unit, students must demonstrate their achievement of the set of outcomes (assessment tasks designated for the unit). Satisfactory performance of these tasks is sufficient evidence to award an S for the unit.

## SATISFACTORY RESULT

The student receives a Satisfactory (S) for a unit if the teacher determines that all the following requirements are achieved.

A student must:

- produce work that meets the required standard for each outcome
- submit work on time
- submit work that is clearly his/her own
- attend all scheduled classes

If on the first attempt of an assessment task a student is unable to demonstrate satisfactory outcomes for the unit, the student will be allowed a second attempt to achieve the required outcomes.

If a student is unable to achieve a satisfactory level on the second attempt, the student will receive a Not Satisfactory (N) for the assessment task and hence an N for the unit.

## NOT SATISFACTORY RESULT

The student receives an N for the unit when one or more of the requirements are not achieved because:

- The work is not of the required standard
- The student has failed to meet a school deadline for the assessment task, including where an extension of time has been granted for any reason, including Special Provision
- The work cannot be authenticated
- There has been a substantial breach of rules including class attendance rules.

## ATTENDANCE

All VCE units involve a set number of hours for scheduled classroom instruction. A student needs to attend sufficient class time to complete work. Otherwise they may receive an N (Not Satisfactory) for the unit.

- A minimum of 80% attendance is compulsory in each Unit of Study in order to achieve a pass.
- Attendance interviews will occur if student attendance puts them at risk of failing units.
- Students who are absent due to acute or chronic circumstances such as illness or bereavement should apply for Special Provision, which in some cases overrides attendance requirements.
- Senior students need to manage their commitments to extracurricular activities and absences for other reasons in order to achieve 80% attendance.

## ACADEMIC PROGRESSION

Students progress from one unit or one semester to the next as a result of their academic achievement in keeping with their work ethic.

Student progression is not automatic, and each student's situation should be considered individually. A student's academic achievement, in keeping with his/her learning ability should be given the highest priority. All students have the capacity to attempt set work and to complete it to the best of their ability.

## WORK NOT DONE

A student will have work not completed recorded on SIMON for the notification of parents and Learning Mentors. A new date for submission of the task will then be negotiated. If a student does not complete the work within two weeks, then it could result in a failure to successfully meet an outcome, which results in failure (N) of the unit at VCE level.

## OUTCOME OR COMPULSORY COURSEWORK NOT MET

A student will be issued with Outcome or Compulsory Coursework Not Met form if they achieve less than **40%** on an assessment task, SAC, Topic Test or Exam. The student will need to re-sit or re-submit the assessment task to a satisfactory standard. They will have one chance to resit only and it must be within two weeks of the original date. If a student does not complete the assessment task to a satisfactory standard, then it could result in a failure to successfully meet an outcome, which results in failure (N) of the unit.

## FAILURE OF A UNIT OCCURS WHEN

1. A student has absences in excess of 20% of the available tuition time. Where absence is extended (more than two days), due to chronic or acute circumstances an application for Special Provision should be made. *The Special Provision Application* needs to be supported with medical documentation.
2. A student fails to demonstrate the Outcomes of a Unit to a satisfactory standard.  
For example:
  - Less than **40%** on assessment tasks, e.g: Unit or Topic Tests, SACs, or assignments. Students will be issued with an *Outcome or Compulsory Coursework Not Met Form*. Students may be granted a second formal attempt at the SAC/assessment task, however, the original mark stands.
  - Failure to show a genuine attempt at assigned class work and homework tasks.
3. A student has been found guilty of gross plagiarism or cheating will be required to attend an interview panel in accordance with the *VCE Assessment Policy*.

## IMPLICATIONS FOR FURTHER STUDY

- Failure to submit work of a satisfactory standard in a VCE Unit 1/2 means that a student may not be recommended to enrol in subsequent units in that study.
- Progression is dependent on students passing current units.
- It may be necessary to repeat VCE Units 1/2 before progressing to further studies.
- Failure in a VCE Unit 3 or 4 may also impact the student's ability to obtain an ATAR depending on the number of subjects taken and the unit that is failed.

The above policy is supported by a process that involves notification of and consultation with parents and the student before a fail is recorded. Subject teachers will notify parents and students using SIMON and emailing home when students have not completed work or an outcome task to a satisfactory standard. If the work is still outstanding, a phone call by the subject teacher and interview opportunity will be given to discuss the situation.

## BREACH OF RULES, PLAGIARISM AND CHEATING

All students need to be aware that it is their responsibility to ensure that the teacher has no difficulty in authenticating their work.

If a subject teacher believes that the work submitted by a student for assessment:

- is not typical of the work produced by the student
- is inconsistent with the teacher's knowledge of the student's ability
- contains unacknowledged material
- has not been sighted and monitored by the teacher during its development, then the work will not be accepted for assessment until the student provides evidence to show that the work is their own.

If the subject teacher believes that a breach of rules has occurred, the student will be informed by the teacher. The teacher will then report the suspected breach of rules to the VCE Learning and Teaching Leader.

Prior to a decision being made by the school that may result in a penalty being imposed, the student will be requested to attend an interview with the VCE Learning and Teaching Leader and their subject teacher. The student will be given 24 hours notice of this meeting and advised that a parent or friend may accompany them to the interview in a support role, but not as an advocate.

The student will be notified in writing of the decision/penalties imposed and their rights of appeal. The decision/penalty imposed by the school could be in the form of:

- a reprimand to the student or
- if there is sufficient time before the due dates designated by the school or VCAA, the student could be asked to resubmit the work or
- refuse to accept that part of the work which infringes the rules and base a decision whether to award the outcome an N or an S upon the remainder of the work or
- refuse to accept any part of the work and an N will be awarded for the outcome.

## GRIEVANCE PROCESS

If a parent or student is dissatisfied with either the process or outcome they must put their concerns in writing to the VCE Learning and Teaching Leader no later than one week after receiving notification about the students not meeting the requirements of the course. The grievance will be considered by a panel consisting of the VCE Learning and Teaching Leader, Deputy Principal of Learning, Teaching & Innovation and the Learning Mentor who will make a recommendation to the Principal. The outcome of the grievance process and the reasons for this outcome will be communicated in writing to the family. That decision will be final.

# SCHOOL-BASED ASSESSMENT

At Catholic College Wodonga VCE Units 1 and 2 school-based assessments are known as Assessment Tasks (ATs). In VCE Units 3 and 4, there are two types of school-based assessments:

- School-assessed Coursework (SACs) – These assess how well a student has performed on the assessment tasks specified in the Study Design. These tasks are done mainly in class time. All studies, except Studio Arts and Visual Communication & Design (SATs), have SACs.
- School-Based Assessment marks are computed to achieve a rank ordering of students in that study at the school. Where there are multiple groups in a study (e.g. English, Further Maths) cross marking and ranking will occur across all classes doing that study.
- Coursework Assessment is moderated against the exam results and the individual GAT scores where applicable.
- The moderation process may change the coursework score but not the rank in the class.
- After the Moderated Coursework Score is achieved it is added to the Exam Score to calculate the Study Score.

## RULES OF SCHOOL-BASED ASSESSMENTS

These are the VCAA rules:

- A student must ensure that all unacknowledged work submitted for assessment is genuinely their own.
- A student must acknowledge all resources used, including:
  - texts, websites and other source material
  - the name and status of any person who provided assistance and the type of assistance provided.
- A student must not receive undue assistance from another person in the preparation and submission of work.
- Acceptable levels of assistance include:
  - the incorporation of ideas or material derived from other sources (for example, by reading, viewing or note taking), but which have been transformed by the student and used in a new context
  - prompting and general advice from another person or source, which leads to refinements and/or self-correction.
- Unacceptable forms of assistance include:
  - use of, or copying, another person's work or other resources without acknowledgement
  - corrections or improvements made or dictated by another person.
- A student must not submit the same piece of work for assessment in more than one study, or more than once within a study.
- A student must not circulate or publish written work that is being submitted for assessment in a study in the academic year of enrolment.
- A student must not knowingly assist another student in a breach of rules.
- Students must sign an authentication record for work done outside class when they submit the completed task. This declaration states that all work submitted for assessment is the student's own. Your teacher will provide this authentication form.

## FEEDBACK TO STUDENTS

After work is submitted and marked, teachers will provide feedback to students.

Appropriate feedback includes:

- Advice on particular problem areas
- Advice on where and how improvements can be made for further learning
- Reporting S or N decisions and/or written comments on students' performance against each outcome.

Any of the above may be used as a basis for reporting to parents. In providing feedback, teachers may give students their marks on individual School-assessed Coursework tasks.

Although students may be permitted to submit further work for satisfactory completion of a unit, students may not submit further tasks for the reconsideration of School-assessed Coursework scores awarded by the school.

## ABSENCE OR ILLNESS ON THE DAY OF COURSEWORK ASSESSMENT

In the case of an unplanned absence or illness, phone the subject teacher and/or VCE Learning and Teaching Leader to notify of absence. On return to school complete an Absent from Assessment Form and attach relevant documentation. Medical certificates are required as proof of illness. Where a medical certificate is provided the student will be given the opportunity to sit the task.

In other cases the following procedures apply:

- Students will be given 48 hours notice in writing of an Interview to assess their application.
- The Interview Panel to assess their application will comprise the VCE Learning and Teaching Leader, the Learning Mentor and/or the subject teacher. Students may bring a parent, friend, etc. as a supporter but not an advocate.
- Successful applicants will complete a similar task at a time designated by the Panel. Applicants who are unsuccessful may receive a mark penalty or zero for that assessment. They may be given an opportunity to complete the task in order to achieve a satisfactory result for the Unit as determined by the Panel.

## APPLICATION TO VARY A COURSEWORK ASSESSMENT DATE

In extraordinary circumstances students need to apply a minimum of two days before the date of the Assessment Task for an alternative date for the task. This includes school-based activities.

All rescheduled assessments will occur Wednesdays 3.20pm - 4.30pm every week or at the subject teacher's discretion.

# EXTERNAL ASSESSMENT

All VCE 3/4 units have at least one external exam at the end of the year.

All external exams are set, supervised and marked by the Victorian Curriculum and Assessment Authority (VCAA).

VCE external assessments are any centrally set tasks assessed by the Victorian Curriculum and Assessment Authority (VCAA), including written, oral, electronic/digital, aural and performance tasks conducted according to the requirements of accredited study designs and VCE VET programs.

## EXAMINATIONS

VCAA-appointed panels set VCE examinations. VCE examination specifications and sample material (by study) and an archive of past examinations and examination reports are available on the VCAA website.

The VCAA determines the timing of VCE examinations. The school will issue each student with an individual Student Examination/Assessment Timetable after the release date for each examination period. The VCE examination timetable is also printed in the VCE Exams Navigator, which will also be issued to students by the school.

The examination period is typically in October/November.

## VCAA EXAMINATION RULES

Students are required to observe the VCAA rules for the conduct of VCE external assessments that are conducted by or on behalf of the VCAA, as well as the day-to-day rules of the institution hosting the external assessment. VCAA rules shall apply with appropriate and reasonable modifications to students who have disabilities or other impairments. The rules are available on the VCAA website and are included in relevant publications for students, such as the GAT brochure and VCE Exams Navigator.

Student identification requirements for VCE external assessments

Students must identify themselves by writing their VCAA student number on the response materials used for VCE written examinations. Student numbers are provided to students by the VCAA through their school.

Students undertaking the oral component of the VCE Languages examination will be required to identify themselves by stating, in English, their student number.

All students undertaking a performance or Languages oral examination and students completing a written examination will be required to provide personal identification at the registration point for their assessment.

The personal identification must consist of a clear photograph of the student and their full name such as your student ID card.

## GENERAL ACHIEVEMENT TEST (GAT)

All students enrolled in one or more Victorian Certificate of Education (VCE) Unit 3–4 sequences or VCE VET scored Unit 3–4 sequences, are required to sit the General Achievement Test (GAT). The GAT is an essential part of the VCE assessment procedure. Although GAT results do not count directly towards VCE results, they do play an important role in checking that School-based Assessments and external assessments have been accurately assessed.

The components of the GAT are:

- written communication
- Mathematics, Science and Technology
- Humanities, The Arts and Social Sciences.

## SCHOOL-BASED ASSESSMENT AND THE GAT

The VCAA will apply statistical moderation procedures to School-based Assessment scores to ensure that they are comparable across the state and fair to all students. The statistical moderation process compares the level and spread of each school's assessments of its students in each study with the level and spread of the same students' scores in the external assessment, and adjusts the school scores if necessary.

In some studies, GAT scores will also be used for statistical moderation. This will only be done if it provides a better match with School-based Assessments throughout the state. The external assessment scores will always have the major influence in the statistical moderation calculations.

## STUDY SCORES

A study score indicates how a student performed in relation to all others who took the study. It is calculated using the student's moderated School-based Assessment scores, the externally-assessed task and the examination scores for each study.

The maximum study score is 50. For studies with many enrolments (1000 or more), the following table shows the approximate proportion of students who will achieve a study score on or above the stated values. For studies with fewer enrolments, the proportions may vary slightly.

Study score	45	40	35	30	25	20
Approximate percentage of the students on or above this position	2%	9%	26%	53%	78%	93%

## STUDY SCORES AND SCALING

The cross-study comparison of students involves a statistical treatment of each student's Study Scores, after which these can be added in a simple way to derive each student's ATAR.

Central to the statistical treatment of study scores is a process known as scaling, which is a way of acknowledging the degree of competition in each study.

The degree of competition in a study is judged by looking at the total performance of the group of students taking that study; that is, the performance of that group of students in all the studies in their programs compared with their performance in that study. If this reveals that a particular study has students with a markedly high performance in all the studies in their programs, then the competition in that study was clearly very great. Therefore, all the Study Scores for that study might well be scaled upwards. On the other hand, in a study which has students with a lower overall performance in all their studies, competition was lower. Therefore, all the Study Scores in that study might well be scaled downwards.

The degree of scaling upwards or downwards depends on the relative competition in each study as revealed by the cross-study comparison.

The Scaling Report and further details about tertiary selection are available on the VTAC website,

[www.vtac.edu.au](http://www.vtac.edu.au)

## STATEMENT OF RESULTS

The VCAA issues a Statement of Results at the end of the calendar year to all students enrolled in VCE units.

VCE Statement of Results contains

- A cumulative record of achievement for all VCE and VCE VET units undertaken and the year in which the result was obtained
- Graded assessments and a Study Score for each sequence of Units 3 and 4 undertaken in either the current year or earlier
- Whether the student has qualified for the VCE.

## INSPECTION OF SCRIPTS AND STATEMENT OF MARKS

Students' examination scripts remain the property of the VCAA and will not be returned to them, but may be made available for inspection at school under certain conditions. Students can also apply for a Statement of Marks for each examination. Students will need to fill out an application form, which can be obtained from the VCAA website:

[www.vcaa.vic.edu.au](http://www.vcaa.vic.edu.au)

# KEY ASSESSMENT DATES

## UNIT 1/2 EXAMS

All Year 11 have compulsory internal exams at the end of each semester.

All internal exams are set, supervised and marked by Catholic College staff. The exam result contributes to their semester results and will appear on the end of semester report.

### Exam Dates 2020

- 11 – 18 November Unit 1/2 exams

In order to preserve the integrity of examinations it is not possible to sit them outside the scheduled dates.

## UNIT 3/4 EXAM DATES

- 9 September General Achievement Test (GAT)
- 9 November – 2 December End of year exams

Exam timetables will be published by the VCAA towards the end of first semester.

## TRIAL EXAMS

All students studying 3/4 studies will sit trial exams on Monday 21 – Thursday 24 September (during the school holidays) and 19 to 23 October (during term) in order to prepare them for their end of year exams. These exams do not count towards a student's ATAR but are **compulsory** exam practice. They are marked by the class teacher and returned with feedback.

# HOMEWORK AND STUDY EXPECTATIONS

Students are expected to complete homework each night and some at the weekends. While there can be wide variation in student motivation, capacity and work habits, the following guidelines per night would be considered the minimum with some additional time on the weekends. Research shows that part-time employment that exceeds 10 hours per week has a negative effect on student performance and achievement. A regular and balanced approach to study and the various other commitments young people have is considered healthy and productive:

- Unit 3/4 – 2.5 to 3 hours per night
- Unit 1/2 – 2 to 2.5 hours per night

Unit 3/4 students will have study periods. They are expected to be on site in the Mercy Centre and to sign in with Carmel O'Brien in the Mercy Centre. They may not leave during these times.

All students are expected to be at Personal Learning sessions in their designated classrooms, as this will contribute to their overall attendance record. There will be a range of assessments, learning activities, seminars, academic and pathway seminars, and study support sessions.

# SPECIAL PROVISION

Special Provision provides all students with the maximum opportunity to participate in and complete their senior secondary studies. Individual students may need special provision in curriculum to achieve the learning outcomes and in assessment to demonstrate their learning and achievement. The provisions are available to VCE students.

Students who are eligible for Special Provision are not exempt from meeting the requirements for satisfactory completion of the VCE or from being assessed against the outcomes of the study. Special Provision ensures that the most appropriate arrangements and options are available for students whose learning and assessment programs are affected by illness, impairment or personal circumstances.

There are three forms of Special Provision and, in each case, there are specific eligibility requirements that apply:

Special Provision Category	Eligibility Requirements	Possible alternative arrangements
<p><u>School-based assessment</u></p> <p>The student must apply by completing the Application for School-Based Special Provision (For ATs, SACs, &amp; SATs) form and submitting to the Senior School Provisions &amp; VASS Coordinator. Students are eligible for Special Provision for classroom learning and School-Based Assessment if their ability to demonstrate achievement is adversely affected by:</p>	<ul style="list-style-type: none"> <li>• An acute or chronic illness</li> <li>• personal circumstances</li> <li>• a long-term impairment</li> </ul>	<ul style="list-style-type: none"> <li>• rescheduling classroom activities and/or an assessment task</li> <li>• allowing the student extra time to complete work or an assessment task</li> <li>• setting a substitute task of the same type</li> <li>• replacing a task with a different type</li> <li>• using a planned task to assess more outcomes, or aspects of outcomes, than originally intended</li> <li>• using technology, aides or other special arrangements to complete classroom learning and/or undertake assessment tasks</li> <li>• deriving satisfactory completion of outcomes or a score from other assessments or work completed by the student (if the provisions already mentioned are not feasible or reasonable)</li> </ul>
<p><u>Special Examination Arrangement</u></p> <p>(Approved by VCAA) - Schools can apply for special examination arrangements for students with a disability or illness.</p>	<ul style="list-style-type: none"> <li>• Severe health impairment</li> <li>• Significant physical disability</li> <li>• Hearing impairment</li> <li>• Vision impairment</li> <li>• Learning disability</li> <li>• Severe language disorder</li> </ul>	<ul style="list-style-type: none"> <li>• Total duration of examinations</li> <li>• Separate examination room</li> <li>• Separate supervision</li> <li>• Readers</li> <li>• Scribes</li> <li>• Clarifiers</li> <li>• Use of computers</li> </ul>

# WELLBEING SUPPORT SERVICE

Catholic College Wodonga has a Wellbeing Support Service and Learning Community Leaders available to the students and their parents. This service is to provide support to those students who request it, or as a result of a concern raised by a staff or family member of the student. Support can be provided in a number of areas. These include:

Organisational issues	Time management
Study skills	Revision skills
Stress management	Counselling regarding relationship issues
Counselling regarding personal issues	Counselling regarding grief issues
Information in relation to other services/contacts in the area	Family support
Someone to 'unload' to when things get on top of you	Any other area of concern

The Wellbeing Service can be contacted by:

- Asking your Learning Mentor to contact them to arrange a time for you to see them
- Contacting them through the College e-mail system

There is no problem too big or too small. If something is worrying you then it is important enough to talk about. The counselling service is free and confidential.
